Amish woman Rosanna Zook lost her self-confidence within the confines of a loveless and abusive marriage. In the years spent quietly dealing with her burdens and dutifully caring for others, she forgot her sense of self and ability to feel. But after her first husband's untimely death, she gets a second chance with Reuben Troyer, a godly man who welcomes Rosanna and her two children into his life.

Despite the love and respect she finds in her new marriage, Rosanna soon learns that juggling the demands of her family and church community is more than she can handle. When Rosanna becomes ill, she is forced to confront a hard truth: one empty cup cannot fill another. For a woman who has spent her life giving, will Rosanna finally be able to let go and receive?

**About the author**

The author of more than two dozen novels, Sarah Price brings twenty-five years of experience of living among the Amish to her books, many of which have been Amazon Top 100 Bestsellers. In 2013, she signed with Realms, a division of Charisma House, to publish the Amish Classics series. Initially focusing on the retelling of Jane Austen's timeless classics from within an Amish setting, her first traditionally published book, *First Impressions, A Retelling of Pride & Prejudice*, debuted on the ECPA bestseller list.

She intends to continue retelling classics, including the Bronte sisters and Victor Hugo, as she enjoys "raising the bar" on her own intellectual stimulation as well as that of her expansive base of loyal readers.

In 2014, she signed with Waterfall Press and published *An Amish Buggy Ride* which became a #1 bestseller in Religious Romance.
